

Awareness Mastery

is a combination of seminars, coaching, networking and fun!

If your results are defined as every aspect of your current life; your health, your wealth, and your happiness, how well would you say you're doing so far?

Are you comfortable, are you complacent or does every action you take have a definitive purpose that drives you toward your goals. If your answer is "Yah, right", then we have some strategies that could allow you to live the life of your dreams. Wouldn't that be nice?

Awareness Strategies Inc. is a success facilitation company. We help people like you become successful. Through Bob Proctor's world renowned material, we provide training, coaching and networking for anyone who is serious (or humorous) about achieving your hearts desires.

.....On a **MONTHLY** basis you will.....

- ✦ Topics covered will include networking, developing focus, and other skills essential to achieving your goals.
- ✦ Each email sent in to us will be answered personally by Brad or Michelle, or in some cases both! This will be personal coaching for you. Helping you stay on track to achieving your goals.

☑ Receive a CD from the "Freedom Series"

- ✦ The freedom series, developed by Bob Proctor, will turbo-charge your thinking and raise your consciousness beyond anything you've known so far.

☑ Attend a Networking Luncheon

- ✦ This is an opportunity where you will be able to promote your company or yourself.

- ✦ This is a structured round table event where everyone is given at least 5 minutes to talk about themselves, their company, or their product.
- ✦ Each month one person's name will be drawn and they will have 15 minutes on the podium the proceeding month to spotlight themselves.
- ✦ The intention is for everyone in Awareness Mastery to get to know each other better on both a personal and professional level.

.....On a **QUARTERLY** basis you will....

☑ Attend a one day live training and goal setting session.

- ✦ Like our multi-day seminars, the one day live training will have exercises that reinforce the concepts covered.
- ✦ Have plenty of opportunity to meet other like-minded individuals that you can become friends with, do business with or mastermind with to catapult your business to new and exciting levels.
- ✦ There will be networking tables available for you to promote yourself, your company or your product, and where you can discover what others in the group are doing.

☑ Receive a "Success Factor" CD.

- ✦ The information on the CD's will be on the same topic as what is covered at the live training, but they will be totally different in format and content than the information received at the seminar.
- ✦ The purpose is that you can listen to it in your car, stereo, etc to reinforce these new principles into your life.

☑ And that is not all! There will be plenty of pleasant surprises.....

- ✦ One of our goals is to give you the absolute most that we can without overwhelming you.
- ✦ Another is to have you realize your goals and we intend to stand behind you every step of the way.
